

THE LIST OF HOMOLOGY REPORTS

AGRICULTURAL RESEARCH INSTITUTE "SERBIA"
- Pesticide and Environmental Research Centre -
Belgrade - Zemun

REPORT ON PERMIT FOR DISTRIBUTION OF AGROSTEMIN IN YUGOSLAVIA

Marina Vuksa Ph.D.

December 2002.

[Excerpt](#)
(PDF)

[Full document](#)
(ZIP)

AGRICULTURAL RESEARCH INSTITUTE "SERBIA"
- Pesticide and Environmental Research Centre -
Belgrade - Zemun

TOXICOLOGICAL EVALUATION OF AGROSTEMIN PREPARATION

Marina Vuksa Ph.D.

November 2002.

[Excerpt](#)
(PDF)

[Full document](#)
(ZIP)

CIEC

(CENTRE INTERNATIONAL DES ENGRAIS CHIMIQUES)

- International Scientific Center of Fertilizers -
BELGRADE • GOETTINGEN • VIENNA

AGROSTEMIN

**New Source of Natural Allelopathic Chemicals
for Better Plant Growth and Plant Productivity Regulation**

A Compilation of Reports on its Use and Efficiency

Edited by

E. WELTE and I. SZABOLCS

[Excerpt](#)
(PDF)

[Full document](#)
(ZIP)

UNIVERSITY OF BELGRADE
Institute for Application of Nuclear Energy in Agriculture, Veterinary Medicine and Forestry
Pesticide Services Center, Belgrade – Zemun

**STUDYING THE INFLUENCE OF AGROSTEMIN ON QUANTITY AND QUALITY OF
FINAL PRODUCTS OF MAIZE, SUNFLOWER AND SOYBEAN PLANTS**

- Excerpts from Report for 1979 – 1984 period -

Belgrade - Zemun,
1979. - 1984.

[Excerpts](#)
(PDF)

[Full document](#)
(ZIP)

UNIVERSITY OF BELGRADE
Institute for Application of Nuclear Energy in Agriculture, Veterinary Medicine and Forestry
Pesticide Services Center, Belgrade – Zemun

**STUDYING PHYSIOLOGICAL MODIFICATION IN PLANTS
UNDER THE INFLUENCE OF AGROSTEMIN**

- Excerpts from Report for 1979 – 1984 period -

Belgrade - Zemun,
1979. - 1984.

[Excerpts](#)
(PDF)

[Full document](#)
(ZIP)

UNIVERSITY OF BELGRADE
Institute for Application of Nuclear Energy in Agriculture, Veterinary Medicine and Forestry
Pesticide Services Center, Belgrade – Zemun

**STUDYING THE MECHANISM OF CIRCULATION AND EFFECT OF AGROSTEMIN AS
AN EXOGENOUS FACTOR IN BIOTIC SYSTEMS**

- Excerpts from Report for 1979 – 1984 period -

Belgrade - Zemun,
1979. - 1984.

[Excerpts](#)
(PDF)

[Full document](#)
(ZIP)

UNIVERSITY OF BELGRADE
Institute for Application of Nuclear Energy in Agriculture, Veterinary Medicine and Forestry
Pesticide Services Center, Belgrade – Zemun

**STUDYING THE INFLUENCE OF AGROSTEMIN ON
HYDROSTATICS AND OSMOTIC VALUES OF CELLULAR JUICE**

- Excerpts from Report for 1979 – 1984 period -

*Belgrade - Zemun,
1979. - 1984.*

[Excerpt](#)
(PDF)

[Full document](#)
(ZIP)

Institute for Nuclear Sciences "Boris Kidric" – Vinca
Laboratory for Radiobiology

INVESTIGATION OF INFLUENCE OF BIOREGULATOR ON MAMMALS

- *Resistance to radiation sickness* -

*Belgrade - Vinca
1983. - 1984.*

[Excerpt](#)
(PDF)

[Full document](#)
(ZIP)

Department of Physiology and Radiobiology, Institute for Application of Nuclear Energy
in Agriculture, Veterinary Medicine and Forestry,

Zemun

In collaboration with

Laboratory for Molecular Biology and Endocrinology, Institute for Nuclear Sciences
"Boris Kidric", Vinca

and

Department of Forensic Veterinary Medicine, Faculty of Veterinary Medicine
University of Belgrade

REPORT ON AN EXAMINATION OF AGROSTEMIN PREPARATION FOR TOXICITY

*Cedomir Rusov Ph.D., Professor
December 1978*

[Excerpt](#)
(PDF)

[Full document](#)
(ZIP)

FEDERAL COMMISSION FOR PATENTS SFRY
PATENT DOCUMENT №. 32 749

**PROCESS FOR STIMULATION OF GROWTH AND DEVELOPMENT OF
"ALLANTOIN" TYPE PLANTS**

Danica Gajic Ph.D., B. Sc. in Agriculture

Belgrade, April 30, 1975
SFR Yugoslavia

[Full document](#)
(PDF)

[Full document](#)
(ZIP)

UNIVERSITY OF BELGRADE
Institute For Biological Research, Belgrade

**REPORTS OF PERFORMED EXPERTISE ON PERFORMANCE OF
AGROSTEMIN AND ZOOSTEMIN**

Belgrade

[Excerpt](#)
(PDF)

[Full document](#)
(ZIP)

Institute For Biological Research – Belgrade
and
Federal Center for Education Of Agricultural Managers – Novi Sad

PROCEEDINGS
from Yugoslav Symposium on Results of Experimental Use of Agrostemin
in 1969 and 1970

Novi Sad, March 1971

[Excerpt](#)
(PDF)

[Full document](#)
(ZIP)

UNIVERSITY OF BELGRADE
Faculty of Agriculture, Belgrade – Zemun
- *Doctoral dissertation* -

INTERFERENCE AMONGST WHEAT (*Triticum vulgare*) AND CORN COKLE
(*Agrostemma githago*) ON BROWN SOIL AND SMONITSA

Danica Gajić, B. Sc. in Agriculture
Scientific Associate of Institute For Biological Research

Belgrade, 1964
